

Peace Promise

Dear Friend,

You and I struggle with conflict – often multiple times a day! Yet how many times do we turn to the deep and practical wisdom of the Bible as the basis for working out how to respond?

Peace Promise training equips you to handle conflict constructively and redemptively, using proven strategies which have brought resolution and restoration to disputes and relationships around the globe.

In this training, you will:

- *learn a framework for responding to conflict in your life;*
- *discover gracious ways to deal with difficult people;*
- *be trained in how to give a truly effective apology and what genuine forgiveness looks like in practice;*
- *see the incredible witness potential of building a culture of peace in your community – whether church, school, workplace or otherwise;*
- *be inspired by the practical wisdom of the Bible and the power of the gospel to bring hope and change in the face of conflict.*

By doing this training, you can become a better parent, minister, teacher, leader, change-agent, neighbour or friend – because we all need to learn these biblically based life-skills as we face conflict through our lives.

I warmly encourage you to come and be inspired by this life-changing training.

In Christian love,

Rosemarie Brown
