

Peace Promise

Dear Friend,

You and I struggle with conflict – often multiple times a day! Yet how many times do we turn to the deep and practical wisdom of the Bible as the basis for working out how to respond?

Peace Promise training equips you to handle conflict constructively and redemptively, using proven strategies which have brought resolution and restoration to disputes and relationships around the globe.

In this training, you will:

- *learn a simple framework for understanding and dealing with conflict;*
- *gain powerful peacemaking principles and relational tools;*
- *understand the biblical foundations of peace and reconciliation;*
- *discover gracious ways to deal with difficult people;*
- *have time to reflect upon your personal experience of conflict and peacemaking;*
- *learn how you can begin supporting and building a culture of peace in your community and spheres of influence;*
- *discover opportunities to glorify God, serve others and grow to be like Christ, even in the midst of conflict.*

By doing this training, you can become a better parent, minister, teacher, leader, change-agent, neighbour or friend – because we all need to learn these biblically based life-skills as we face conflict through our lives.

I warmly encourage you to come and be inspired by this life-changing training.

In Christian love,
